

Wednesday's Child

Someday I'm going to find you
Hey, hey – never going to leave you

When I was young I couldn't wait to be a working man,
Just think of all the things I'd do with money in my hand
But I've found out the hard way 'bout the way things have to be
When you have a mortgage and a happy family.

Monday – back to the rat race
Tuesday – putting on a brave face
Wednesday – full of woe
Thursday – far to go
Friday – feel like I'm dropping
Saturday – go out shopping
Thank God – for Sunday.

I need someone to help me make this yoke and burden light
I need to find a way to try and get the balance right
Won't someone out there tell me where to find a better place,
Won't someone out there help me put a smile back on my face

Monday – back to the rat race
Tuesday – putting on a brave face
Wednesday – full of woe
Thursday – far to go
Friday – feel like I'm dropping
Saturday – go out shopping
Thank God – for Sunday.

Someday I'm going to find you
Hey, hey – never going to leave you
